

WELCOME

TO ROME

EXPERIENCE ROME LIKE A LOCAL

Rome is not a city you simply visit—
it's a city you experience.

Around every corner you'll find something unexpected:
a hidden courtyard, a lively piazza, the aroma of fresh espresso,
or the sound of church bells echoing through ancient streets.

This guide is a collection of my favorite places,
practical tips, and local recommendations to help you
discover Rome beyond the typical tourist attractions.

Whether it's your first visit or your tenth,
I hope you'll experience the city the way locals do:
slowly, curiously, and with plenty of time to enjoy the little moments.

Welcome, and enjoy every step of your Roman adventure.

Rome

at a Glance

Everything you need to know
before exploring the Eternal City.

WALKABLE

Many of Rome's most famous attractions are within walking distance. Wear comfortable shoes—the city's best discoveries are often found on foot.

PUBLIC TRANSPORT

Metro, buses and trams connect every part of the city. Google Maps works very well for planning your journey.

COFFEE CULTURE

Romans usually drink espresso standing at the bar. A cappuccino after lunch is... unusual. ☹️

PAYMENTS

Credit cards are accepted almost everywhere. It's still useful to carry a little cash for cafés or small shops.

BEST TIME TO EXPLORE

Early mornings and evenings are the most enjoyable, especially during summer.

STAY HYDRATED

You'll find hundreds of free drinking fountains ("Nasoni") throughout Rome. Bring a reusable bottle.

THE NEIGHBOURHOODS

- TRASTEVERE** Authentic, lively and charming. Perfect for evening walks and dinners.
- TESTACCIO** Local, genuine and vibrant. Great food and a real Roman vibe.
- HISTORIC CENTRE** The heart of Rome. Iconic squares, fountains and history.
- VATICAN** Home to the Vatican Museums and St. Peter's Basilica.
- COLOSSEUM** Ancient Rome. Colosseum, Roman Forum and more.

All these areas are well connected and easy to reach. Take your time, get lost, and enjoy the journey.
